

## RFID COMPANION™

Complete Portable RFID System Ready to Use Right Out of the Box

**RFID COMPANION™** meets all military DoD shipping requirements according to the US DoD Suppliers' Passive RFID Information Guide. You don't need to change your current barcode labeling system or your existing workflow processes -- you only need to add an RFID tag to the shipping container. The handheld unit both encodes and reads RFID tags. RFID cannot get any easier than this!

**Low-cost RFID System in a Box**  
**Reads, Encodes, Verifies**  
**Automatic Upload to WAWF Desktop Software**  
**Free Training & Support**  
**Versatile, Portable, Scalable**
